Formulation

Hydra-Boost Day Cream

♥ What is it?

- A **light cream** enriched with 10% OLVE'Care Shea™ Oil that **nourishes the skin while protecting it from external aggressors.**

♥ Why you'll love it!

- **Non-greasy** and **fast-absorbing cream** which leaves skin **smooth** and **moisturized**
- **Rich in natural antioxidants** (tocopherols) to **defends skin** against daily oxidative stresses

♥ Possible claims

- Enriched with **10% Shea**
- **Hydrate & protect skin**
- **Minimalist formula:** only 8 INCI name!

HYDRA BOOST DAY CREAM

10% OLVE'Care™ Shea Oil

Phase	Commercial name	INCI NAME	Supplier	%
A	Water	Aqua	/	83,5%
	Glycerin	Glycerin	1	3,0%
B	Lecigel™	Sodium Acrylates Copolymer (and) Lecithin	2	2,0%
C	OLVE'Care™ Shea Oil P	Butyrospermum Parkii (Shea) Butter	3	10,0%
	Dermofeel® Toco 70	Tocopherol (and) Helianthus Annuus (Sunflower) Seed Oil	4	0,5%
D	Microcare PE	Phenoxyethanol	5	1,0%

Procedure: Heat phase A at 55°C. Slowly add phase B and mix vigorously until homogenization. Heat phase C at 55°C. Add phase C into phase AB at 55°C. When batch reaches 30°C, add phase D and continue mixing until reaching room temperature.

Properties: Appearance: White and shiny cream; pH = 6,0 (D1); Viscosity (M7 V0,3): 335 000 cPs (D1)

Formula reference: 2023-059-01

1- Stearinerie Dubois; 2- Lucas Meyer; 3- OLVEA Vegetable Oils; 4- Evonik; 5- Thor

Formulation

Cocooning Body Cream

♥ What is it?

- A **rich cream** that **envelops the skin** for **maximum suppleness & comfort**, while providing **soothing protection** for sensitive skin

♥ Why you'll love it!

- Perfect balance between an **enveloping effect** and a **luxurious smooth feel** leaving the skin comfortable
- Highly concentrated in active molecules** (triterpenes) that offer **anti-inflammatory** properties

♥ Possible claims

- Enriched with **20% Shea**
- Envelop and calm sensitive skin**
- Minimalist formula**: only 8 INCI name!

COCOONING BODY CREAM

20% OLVE'Care™ Shea Oil

Phase	Commercial name	INCI NAME	Supplier	%
A	Water	Aqua	/	73,5%
	Glycerin	Glycerin	1	3,0%
B	Lecigel™	Sodium Acrylates Copolymer (and) Lecithin	2	2,0%
C	OLVE'Care™ Shea Oil P	Butyrospermum Parkii (Shea) Butter	3	20,0%
	Dermofeel® Toco 70	Tocopherol (and) Helianthus Annuus (Sunflower) Seed Oil	4	0,5%
D	Microcare PE	Phenoxyethanol	5	1,0%
